

WHAT TO LOOK FOR IN A FUTURE SPOUSE

As with any big life decision, you should not enter into it lightly. If you haven't already, you should think about what it is you are looking for in your future spouse, because that's what dating is about, preparing and looking for your future spouse. Here are few things you might consider looking for in a future spouse.

Commitment to the same basic beliefs and value system, and lives a lifestyle consistent with those beliefs and values.

Ability to listen and to communicate on a variety of topics.

Not ruled by emotions or feelings.

Builds you up, not tears you down. Treats you with respect.

Acts responsibly, and admits when they have made a mistake.

Concerned for others. Respects their parents. Wants to grow as a person.

Dresses and acts modestly.

Is able to laugh at themselves. Is honest.

Ask yourself, how do you fit this description.
