

# DAY OF PURITY

Promoting Purity in Mind & Action

Over **1,000,000** teen girls will  
become pregnant  
this year.

Every day in the US **8,000**  
youth will contract STD's.

That's more than 1 every 11 seconds.

But you can be the difference.

The Day of Purity is a day when youth  
can make a public demonstration of  
their commitment to remain sexually  
pure in mind and in action.
